Glen Allen, VA 23059

FULL STACK WEB DEVELOPER

Aspiring web developer with a strong foundation in frontend technologies including HTML, CSS, JavaScript, and jQuery. Proficient in creating responsive and visually appealing web interfaces using CSS frameworks like Bulma and Bootstrap. Currently expanding knowledge in backend technologies, focusing on Node.js, Express.js, MySQL, and Sequelize to develop full-stack capabilities and dynamic web applications. Enthusiastic learner, passionate problem-solver, and creative thinker dedicated to staying updated with the latest web development trends.

TECHNICAL SKILLS

Frontend: HTML5, CSS, jQuery, JavaScript, Bootstrap, Bulma, ReactJS

Backend: MySQL, Sequelize, Express, Node, Handlebars, Firebase
